... WILL... BE... SLOW

A close-up of the Joker's face, featuring his signature white face paint, dark eye makeup, and a wide, red-lipped grin. He has long, wavy, light-colored hair. He is wearing a purple suit jacket over a dark shirt and tie. In his right hand, he holds a small playing card, the Queen of Hearts, which shows a queen in a yellow and red dress. The background is dark and out of focus.
